Subject: Request for Extension

Ms. Hipp,

Ni America is in the process of completing the annual reports for **Palmetto Utilities, Inc** and **Palmetto Wastewater Reclamation, LLC - Alpine Utilities**. Although substantial work has been completed, we would like to request a thirty (30) day filing extension for these two annual reports. However, as we are already in the review process, the entire period will not be necessary. Please let me know if this is acceptable and/or if you need anything further to meet the April 1st extension request deadline, should this email be insufficient as a written request to the South Carolina Office of Regulatory Staff. Thank you.

Respectfully,

Lauren Burgess
